

Custom accessories to meet your animal research needs

ACS Water Bag Cage Top Assembly

C79290MH, PH and SH

ACS' C79290MH, PH and SH Water Bag Cage Top Assembly is designed specifically to provide water to animals using a bag system. Water bag access is provided with a convenient depression in the cage top, allowing water changing without removing the cage top. A stainless steel grommet for the water delivery valve is sized for perfect fit. Available individually or as cage and rack options. The C79290 is offered in polycarbonate, and either amber or smoke polysulfone. Compatible with Lab Products' Hydropac®. Specify MH for Polycarbonate, PH for Amber Polysulfone, or SH for Smoke Polysulfone.
